

Mission Statement:

To demand excellence, promote positivity, and teach accountability.

Syllabus:

High Pointe will immediately begin implementing the International Dance Technique (IDT) syllabus.

IDT is a studio syllabus designed to develop plyometric agility, strength, fitness, flexibility and strong jazz technique in dancers of all ages and abilities.

This will help teachers progressively teach all students and ensure all of our technique classes are productive.

The end goal is to motivate dancers to reach their full technical potential.
