

*OUR MISSION:*

*EXCELLENCE - POSITIVITY - ACCOUNTABILITY*  
*RELATIONSHIPS - EVERYTHING ELSE*

*SYLLABUS:*

*High Pointe will immediately begin implementing the International Dance Technique (IDT) syllabus. IDT is a dance syllabus designed to develop a dancer's skills, strength, fitness, flexibility and stage presence in a form of dance and ballet. This will enable dancers to progressively break all records and exceed all of our technique classes and production. The end goal is to nurture dancers to reach their full technical potential.*
