

OUR MISSION:

EXCELLENCE - POSITIVITY - ACCOUNTABILITY

RELATIONSHIPS > EVERYTHING ELSE

High Pointe Staff is committed to serving our students and families with energy and intention.

SYLLABUS:

High Pointe implements the International Dance Technique (IDT) syllabus.

IDT is a studio syllabus designed to develop plyometric agility, strength, fitness, flexibility and strong jazz technique in dancers of all ages and abilities.

This will enable teachers to progressively teach all students and ensure all of our technique classes are productive.

The end goal is to motivate and enable dancers to reach their full technical potential.

We will pair our IDT syllabus with a comprehensive strength and conditioning program.

This program is written specifically for dancers to enhance performance, minimize injury-risk, and promote career longevity.
